

Bona Spray Mop

Technical data sheet

Bona Spray Mop makes cleaning of wooden floors easy and fun. No longer is there a need to fill up a big bucket of water to clean your floors effectively, Bona Spray Mop is always ready-to-use. The spray/clean method ensures that cleaning solution is released in a controlled manner on the floor which reduces the potential for damaging the wood.

- Specifically designed for finished wooden and cork floors but can be used on all types of sealed floors.
- Ergonomic design
- Washable microfibre cleaning pad

Disposal:	Wastes and emptied containers should be handled in accordance with local regulations.
Pack sizes:	
Contents :	Non-ionic surfactants <5% Preservative: Benzisothiazolinone

Cleaning

1. Before cleaning, vacuum or sweep your floors to remove loose dirt and grit.
2. Using the Bona Spray Mop mist cleaner on floor and wipe clean. For stubborn spots, rubber heel marks or sticky spills, spray cleaner directly on these areas, wait 3 minutes and wipe clean. When the pad becomes soiled, replace with a clean one. Use as needed, depending on household traffic.
3. Wash soiled pads in 60°C without fabric softener.

FAQ

Q: Where can I buy replacement pads and cleaner? **A:** Your local retailer should stock replacement pads and cleaner.

Q: Can I use all-purpose cleaners and water to clean my floors? **A:** All-purpose cleaners can be great cleaners, but are unfortunately often highly alkaline and can stain wood and will eventually dull your wood floor finish over time. Use Bona's no residue, pH-neutral cleaner to safely clean your floors.

Q: Can I use disposable pads to clean my floors? **A:** Disposables take up space in landfills and are expensive to constantly replace. The Bona Cleaning Pad is washable and reusable.

Q: Is Bona's cleaner safe for my children and pets? **A:** Yes, our cleaner is non-toxic and can be used without special safety precautions.
